Not illustrated. 1869 Excerpt: .all this time Greece, Italy, and even Asia Minor, in total darkness-- uninhabited, or in the lowest unhistorical savagism! It is very hard to believe this. It presents a marvel greater than anything recorded in Genesis about the origin and early condition of mankiud--greater for the imagination, far greater for the reason. Egyptian history would be like an Egyptian obelisk standing in the desert, spindling up to a vast height, whilst all around was desolation in the view that height presented. Such an antiquity in this one people, should we reason from it a priori, and connect with it the modern claim of progress, would throw out of proportion all the other chapters of history. It would bring the Roman empire before the days of Abraham, and make our nineteenth century antedate the Trojan war. These considerations do not only support the Bible chronology as prolonged in the LXX., but furnish an argument in favor of the still shorter Hebrew reckoning. Taking the primitive men as the Bible represents them, and the latter gives ample time for all that is recorded. Connected with this there is another thought. How came this Hebrew chrono: ogy to present such an example of modesty as compared with the extravagant claims to antiquity madt by all other nations? The Jews, doubtless, had, as men, similar national pride, leading them to magnify their age upon the earth, and run it up to thousands and myriads of years. How is it, that the...
