And the rib or part of his side which the Lord God had taken from the man He built up and made into a woman, and He brought her to the man. Genesis 2:22 Architects, engineers and even beauticians know that a good foundation is imperative for any lasting design. Laying a good foundation affords the subsequent tiers sustainability and endurance. In, ISHSHAHS: Basic Cornerstones for Marriage, Pastor Celena Owens shares personal, practical and scriptural references on the importance of a strong and Godly marital foundation. It is through God s grace, prayer and by reading and applying His Word that we grow into the Godly women we were created to be. Wives everywhere want a happy and Godly marriage. Today, much is written and said about achieving happiness, but having the assurance that you re pleasing God and building your marriage according to His specifications is not something the world can teach. Let ISHSHAHS: Basic Cornerstones for Marriage help you lay solid groundwork for your marriage! Celena Owens is the pastor of Poimen Ministries. She enjoys prayer, fellowshiping and holding conferences for wives; offering a safe place for women to share their concerns and receive edification, scripture and the comforting love of the Lord in return.
