Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The older I get, the more I m convinced that everything in life is a project. Your birth was a project. Your death will be a project. Why? Because every activity, event, problem, challenge, or goal in your life has a beginning, an end, and a duration of time in between. That means it s a project, with a before, during, and an after. The sooner you recognize that everything in your life is a project, use the tactics, techniques and tools from this book, the sooner you ll be able to enhance the quality of your life. Unfortunately, most people stumble through life with a victim mentality; complaining, How could this happen to me. I m a good person! Let s ignore it and see if it goes away. The best way to predict your future is to create it. It s possible to create a life with less stress, frustration, and failure, with more confidence, success, and value added to your career. That s why we wrote this book. This book is a distillation of The Effective Leaders Guide with a focus on making things happen; Leading Projects to resolve problems. The more you know about how to avoid, reduce, or eliminate every pain in your life, the more pleasure you can experience. If there was a pill guaranteed to eliminate or reduce the intensity, frequency, and duration of anything negative in your life, would you take it? Conversely, if there was a pill guaranteed to create or increase anything positive in your life, would you take it? This book is that pill. This book can enhance the quality of your life and...
