It is because Paradise is calling us. Creation has embedded the treasure of seaside insights the beach can teach. These ocean object lessons are spiritual pictures for the soul which can enrich our lives and draw our spirits to the Creator of the beach. For example, gazing over the sea is a spiritual scene more than we see and realize. The four essentials of any beach vacation are the sun, the sea, the sand, and the surf. These are our four cornerstone ocean devotions which reveal important spiritual truths for the soul. Other chapters examine various beach vacation elements, such as palm trees, islands, dolphins, sailing, sunken treasure, scuba diving, seashells and various marine life. Beach Soul takes a deeper, introspective look at the beach. So, whether you take it with you on a beach vacation or cruise, live near the beach, or just love the beach where ever you are, you can feel like you ve taken a virtual trip to the beach for the soul.
