*A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest eBook I have read during my very own daily life and could be the best eBook for possibly.*

Christian Focus Publications Ltd, United Kingdom, 2012. Paperback. Book Condition: New. 194 x 130 mm. Language: English . Brand New Book. Facing an assignment equivalent to being sent to warn notorious terrorists of God s anger with them, perhaps it was no wonder that Jonah ran away - certainly portrayed in Scripture as no super saint, he avoided God and His call on his life. Yet God turned the situation around as pagan sailors encountered the living God who made the land and sea and the entire population of a city realised that although they deserved to be wiped off the face of the earth, there was a God of compassion and mercy who forgave them. God s mercy is greater than our failures and through adverse circumstances and pain, a character of Christ-like compassion is chiselled out.
