Lulu.com, United Kingdom, 2009. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.A complete guide to clean, precise and understandable legal writing So many books give you advice that turns out to be hollow: know your audience, structure your writing. The real strength in Plain Language Legal Writing is how, throughout, Stephens provides clear instructions on how to accomplish what she s recommending. Instead of just telling you to plan what you re going to write, she walks you step-by-step through the planning. Instead of telling you to consider your audience before writing, she describes in detail the sorts of audiences a legal document might have (more than you d expect!) and how to best meet their needs. Plain Language Legal Writing will help you produce documents that people are willing to read and able to understand. More: PlainLanguageLegalWriting.comOther versions: e-book.
