

Early Childhood Care and Education

By M. Sen Gupta

PHI Learning, 2010. Softcover. Book Condition: New. First edition. Early Childhood Care and Education (ECCE) programme has gained importance today. Driven by socio-economic compulsions these days both parents seek jobs and remain away from the child for the whole day. Early Childhood Care centres provide them a safer alternative where their children can grow and develop in a stimulative environment. Therefore, ECCE has been comprehensively included in teacher training programmes at all levels. Designed as a text for the undergraduate students of education (B.Ed.) and elementary education (B.El.Ed.), it provides uptodate and ready to use material. A complete section in the book is devoted to planning a pre-school or ECCE centre, organizing and managing it for its optimum utility and efficient functioning. The effort has been made to include the topics which will help students to understand the ECCE and its functioning in a straightforward and unconventional manner. KEY FEATURES : Written in a conversational style Comprehensive coverage with sample activities Numerous figures and illustrations for better understanding of the subject Integration of theory and practice Conceptual clarity and practical approach The book would also be extremely useful to the nursery school teachers, teacher educators, parents, postgraduate students of education...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
